Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

We discussed the prior art of record with respect to the outstanding 35 USC 103 rejection. It has been determined to sustain said rejection, since it is felt that upon further consideration, the outstanding rejection of claims 71-117 is a valid rejection, which also applies to proposed claims 118-139. Further, the newly submitted claims 118-139 will not be entered because the proposed amendment would raise new grounds of rejection over claims 118-139 under 112, second paragraph, claim 130 under 112, first paragraph, new matter, and claim 134 under section 103.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☒ It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).
